Hello Families,

- Club Wide Break

### Salvo SC Statement

Salvo SC stands with the black community.

Salvo SC strives to embody our core values each day. Respect for all community members is a critical aspect of who we are and what we stand for.

We have been working to take ownership of our experiences, education, and awareness of the injustices in the world to actively pursue anti-racism, diversity, and equity within our club.

We are looking at ways to extend beyond ourselves and help the communities we live in to address racism, acknowledge the power of diversity, and improve equity.

We are making this statement now as we have educated ourselves and become more aware of the opportunity not only within Salvo SC but around us to impact the future ahead of all of us in a meaningful way.

### Progression to Next Phase

It's exciting we are going to be able to play games.

Beginning Wednesday, June 24, we will start competing in practices with small-

sided games. There are still many restrictions, but we will be able to play 1v1, 2v2, up to 9v9 with our older teams.

We are going to compete within our teams for the first few weeks while organizing inter-squad games and inter-club games. We are taking our time to ensure that we don't set ourselves back and ensure players can play at game-level speed and intensity.

This coming week we will look to arrange opportunities to play "big games" in the coming weeks, likely beginning after the July 4 Holiday.

## Refunds

Salvo staff are finalizing the computation of club fee and team fee refunds. We will be communicating these amounts to families by July 1.
