

HIGH PERFORMANCE TEAMS

2020-2021 INFORMATION

Welcome to Salvo Soccer Club. We are excited you will be a part of our club for the 2020-2021 season! Please read through this information packet carefully and use the checklist found on the last page to ensure that you complete all required items. If you have any questions after reviewing this information, please contact us at salvosoc@salvosoccer.org.

TEAMSnap:

[TeamSnap](#) is an application our teams use to communicate important information throughout the season including practice times, game times, schedule updates, and cancellations. We also use this application to track attendance for practices and games.

You will receive an invitation to join your team on TeamSnap. Please accept this invitation. If you do not already have a TeamSnap account, you will be asked to create one when accepting your invitation.

Jersey Number

Each player is assigned a jersey number by Salvo SC. You can find your child's assigned jersey number under the "Roster" tab. If you are using the app on the computer, the jersey number is to the left of your child's name. If you are using the app on your phone, the jersey number is below your child's name.

Photo

You will need to upload a headshot of your child to TeamSnap. This photo will be used for your child's player pass. Every player needs to have a player pass to participate in games and tournaments.

BIRTH CERTIFICATES:

Every player needs to have a birth certificate on file so we can order their player pass. Please send a copy of your birth certificate to registration@salvosoccer.org as soon as possible but no later than August 15.

UNIFORMS:

Read through this entire section before placing your order.

All High Performance players will be in Salvo SC uniform kits. These kits include:

*If your child is not a full-time goalkeeper, you will also need to order the navy jersey, orange jersey, navy short, navy socks, and orange socks.

You will need to purchase your child’s Salvo SC uniform kit from soccerloco. To do this, go to the [Salvo SC Team Room \(by clicking here\)](#) and create an account. Next, set up a new player kit and profile. Select “High Performance Teams” along with the appropriate gender. Enter your player’s first name, last name, and **jersey number assigned by Salvo SC**. Your child’s specific jersey number can be found on your TeamSnap account by going to the “Roster” tab of your child’s 2020-2021 team.

It is very important that you order jerseys with the number your child is assigned. **IF YOU ORDER JERSEYS WITH THE INCORRECT NUMBER, YOU WILL NEED TO PURCHASE ADDITIONAL JERSEYS WITH THE CORRECT NUMBER.** You will **NOT** be refunded for ordering jerseys with an incorrect number.

Returning High Performance players will be assigned the same number they had last year and will need to order the navy game day short and the navy warm up hoodie. Returning High Performance goalkeepers will need to order the green game day short, green socks, and navy warm up hoodie.

Uniforms must be ordered by August 15. You will NOT be able to order uniforms without your child’s assigned jersey number which will be available in your 2020-2021 TeamSnap account.

It is strongly recommended that you purchase navy colored base layers (to be worn underneath jerseys and shorts) for the cold fall and spring days.
